Re: Request for Federal Assistance with Airport Issues in the Town of New Castle

Dear Senator Schumer, Senator Gillibrand & Congresswoman Lowey:

We are writing to express our concerns on behalf of the Town of New Castle as to the current operations of the Westchester County Airport, as well as the plans for its future.

As local elected officials, we have heard from our residents regarding a wide range of issues related to the airport: noise and other environmental effects, property values, and health impacts to name a few. While we have been able to start a dialogue with local officials (e.g., our April 22, 2019 meeting with Westchester County Executive George Latimer, County Legislator Mike Kaplowitz and members of their staffs), it is these concerns of our residents, voiced with such determination and passion, that compel us to respectfully request assistance at the Federal level with these issues. We would very much appreciate a meeting to discuss the negative impact on your constituents that is being generated by Westchester County Airport.

Thank you for your cooperation herein.

Sincerely,

New Castle Town Board
