Lane Shea  
*Secretary*                      Dear Town of New Castle Supervisor Ivy Pool and Town Board Members,

Nishat Hydari  
*Member-at-Large*            The Chappaqua Central School District Public Library Board of Trustees,  
as fiduciaries of the Chappaqua Library and as representatives of its  
constituent taxpayers, hereby request the opportunity to comment on the  
Form Based Code (FBC), particularly the Draft Generic Environmental Impact Statement  
(DGEIS) as interested parties. Please have these documents sent to the Library Director.

The Chappaqua Central School District Public Library building and land are owned by the Chappaqua Central School District and the library is administered and financed by the Library Board of Trustees and administration. The library was not listed as an interested party although our Board of Trustees are elected officials voted into office by the public and our annual budget is subject to public hearing and voted on by the public and taxes levied on the public support of the library.

The Chappaqua Central School District Public Library located at 195 South Greeley Avenue is an anchor in the town. The potential increase of population in the town as a consequence of the FBC could impact the budget and services of the library.

The Chappaqua Central School District Public Library Board of Trustees respectfully requests a voice in this important zoning change in the town.

Sincerely,

A handwritten signature in black ink that reads "Ronni Diamondstein". The signature is written in a cursive, flowing style.

Ronni Diamondstein, Acting President
