

# Decommissioning of the Upper Minkel Dam

Town of New Castle, Westchester County

**Reason for the Project:** Upper Minkel Dam (Croton Road Dam and Dike), a High Hazard Dam, requires costly reconstruction to achieve compliance with modern rules. Decommissioning the dam was selected.

**Project Description :** A portion of the Upper Minkel Dam will be removed to restore the impoundment to its pre-dam configuration of pools and streams that allow flow through to Purdy Pond. The impoundment will be regraded and planted.

## Anticipated Project Schedule

- Design: Commencing 2022
- Construction: Fall 2023 –Spring 2024
- Establishment & Monitoring: Ends 2029

Town of  
**NEW CASTLE**  
New York
