**TOWN BOARD
TOWN OF NEW CASTLE
PROPOSED LOCAL LAW TO AMEND
CHAPTER 63 OF THE
CODE OF THE TOWN OF NEW CASTLE**

A LOCAL LAW to amend Chapter 63 of the Code of the Town of New Castle concerning the Energize NY Benefit Financing Program.

BE IT ENACTED by the Town Board of the Town of New Castle as follows:

Section 1. Chapter 63 of the Code of the Town of New Castle entitled “Energize NY Benefit Financing Program” is hereby amended as follows:

§ 63-1 Legislative findings; intent and purpose; authority.

- A. It is the policy of both the Town of New Castle and the State of New York to achieve energy efficiency and renewable energy goals, reduce greenhouse gas emissions, mitigate the effect of global climate change, and advance a clean energy economy. The Town of New Castle finds that it can fulfill this policy by providing property assessed clean energy financing to property owners for the installation of renewable energy systems and energy efficiency measures. This law establishes a program that will allow the Energy Improvement Corporation ("EIC"), a local development corporation, acting on behalf of the Town of New Castle, pursuant to the municipal agreement to be entered into between the Town of New Castle and EIC pursuant to Article 5-G of the New York General Municipal Law (the “Municipal Agreement”) to make funds available to Qualified Property Owners that will be repaid by such property owners through charges on the real properties benefited by such funds, thereby fulfilling the purposes of this law and fulfilling an important public purpose.
- B. The Town of New Castle is authorized to implement this Energize NY Benefit Financing Program pursuant to the Municipal Home Rule and Article 5-L of the New York General Municipal Law.
- C. This law shall be known and may be cited as the "Energize NY Benefit Financing Program Law of the Town of New Castle."
