

# Shuttle about Town

New Castle strives to connect the Town's three business areas to one another. Join us in supporting our first connection, which will provide shuttle service between Chappaqua Crossing and the Chappaqua Train Station. Shuttle service is free for anyone, and will run during morning peak train hours, evening peak hours, and a lunch time service (See schedule within). Service will be provided Monday through Friday and Saturday morning.

Keep your eye out for New Castle's new ELECTRIC shuttle van which will transport residents from one area of town to another. This is another program to GREEN New Castle.
